

WINE BAR

widely recognized red wine grape variety
popular by market in the 1980s. Its
long reputation for rich and level

malbec
arguably a black grape
variety that requires a
generous amount of sunlight
to mature. It ripens and
savors and brings a very
deep color

red zinfandel
Just "so-far-del-calle" is a variety
of red grape planted in wine
of southern vineyards. The fruit of red
wine depends on the amount of the grape
from which it is made. The berry fruit
is large, ripens a week or more before

DONNA

world's most widely recognized red wine grape variety.
until it was passed by merlot in the 1990s, its
vines being resistant to rot and frost.

malbec /mal-ber/
argentina: a black grape
variety that requires a
generous amount of sunlight
to mature. it ripens mid-
season and brings a very
deep color.

red zinfandel
/red-zin-zin-del/ california: is a variety
of red grape planted in over two percent
of california vineyards. the taste of red
wine depends on the ripeness of the grapes
from which it is made and berry health.
